

Fall River Office of Economic Development
EDA Revolving Loan Fund

BACKGROUND: This revolving loan fund assistance program was established with a grant from the U.S. Economic Development Administration and was established to aid in the creation and retention of jobs, primarily for low to moderate income individuals within the community. Funding under this program is intended to be made available to qualified borrowers in conjunction with other private sources of funding. This program and these funds are strictly intended to act as gap financing only. It is the position of the Fall River Office of Economic Development (FROED) to assist businesses by leveraging private and other public funding committed to the project.

HOW IT WORKS: Under the EDA RLF Program, FROED will provide loans and gap financing, which can be used as part of the total project cost. FROEDs portion of the project is generally 50% or less, although in instances where there is a financing gap, FROEDs percentage and dollars may be larger.

INTEREST RATE: Interest rates will be determined by the loan committee and typically the minimum rate is 5%.

FEES: FROED charges a \$250 application fee upon application submittal (non-refundable)

FROED charges a 2% origination fee at closing for all loans (non-refundable).

Legal fees are 1% of the loan plus recording fees

**ELIGIBLE
BUSINESSES:**

- Manufacturing
- Retail
- Wholesale
- Service
- Non Profit Child Care Centers
- Other Commercial/Industrial

**ELIGIBLE
PROJECTS:**

Loan funds will be used for acquisition of land and buildings; equipment, machinery, furnishings and other fixed assets; and working capital needs.

JOB

REQUIREMENTS: FROED requires that a business must demonstrate that it can create a minimum of one job or will retain a minimum of one job for each \$35,000 of Jobs investment in the first two years of the loan. For example, if FROED is contributing \$70,000, FROED requires that at least 2 new jobs be created or evidence that 2 jobs have been retained as a result of these funds. FROED also requires that at least 51% of those jobs are made available to or retained by low and or moderate income individuals.

GEOGRAPHIC

COVERAGE: This program provides assistance to small businesses located within the City of Fall River.

PROCESS:

FROED has a Loan Review Committee which meets on an as needed basis. The Loan Review Committee meets on (at least) a monthly basis to approve loan requests. Normally it takes approximately 30 days or less once a complete business plan is submitted to obtain approval. FROED can close on a loan as soon as approval is obtained and all legal documentation is obtained and or prepared by its legal council. The following is a list of information normally required to review a loan application.

- History and description of business;
- Statement detailing exact use of loan proceeds;
- Statement detailing anticipated benefits from proposed financing;
- Balance sheet, profit and loss statement and/or tax returns for previous three years;
- Current balance sheet and current operating statement (not over 60 days old);
- Pro forma balance sheet and projected operating statement for three years minimum (five years preferred), including basis used for sales/income projections;
- Monthly cash flow for first 11 months of operation or three months beyond “break-even” point;
- Names of affiliate and/or subsidiary firm;
